

- **5 Minds For The Future** (Howard GARDNER) to understand what the world needs for abilities for students in 21st Century...
- **The Disciplinary Mind:** the mastery of major schools of thought, including science, mathematics, and history, and of at least one professional craft.
- **The Synthesizing Mind:** the ability to integrate ideas from different disciplines or spheres into a coherent whole and to communicate that integration to others.
- **The Creating Mind:** the capacity to uncover and clarify new problems, questions and phenomena.
- **The Respectful Mind:** awareness of and appreciation for differences among human beings and human groups.
- **The Ethical Mind:** fulfillment of one's responsibilities as a worker and as a citizen.
